HOME SECURITY CAMERA SYSTEM FOR 5MP POE IP SURVEILLANCE, SMART HUMAN/VEHICLE DETECTION, WORK WITH SMART HOME

ABOUT THIS ITEM

SMART PERSON/VEHICLE DETECTION: Say goodbye to the unwanted alarms triggered by moving branches or flying bugs. With advanced person/vehicle detection, the cameras identify true threats in the light of cutting-edge detection algorithms, giving you the utmost peace and relief.

EXCEPTIONAL 5MP SUPER HD: These PoE IP cameras boast 5MP videos at 30fps, capturing passing moments in ultra-sharp resolution without missing key details. With 18 specs IR lights and 3D-DNR technic, the cameras are capable of delivering up to 100ft astounding night vision.

TIMELAPSE TO SEE THE DAY IN A MINTUNE These surveillance cameras support recording time-lapse videos. You can keep tracking of your 3D printing, see the whole construction process in a few minutes, or capture beautiful views from sunrise to sunset. It is easy to use and fun to share with friends. (Time lapse only works on Reolink App.)
